

HOSHINOYA Bali SPA

Deep Physical & Mental Relaxation through Balinese Harmony with Nature

Experience an intensely relaxing & calming time provided by “HOSHINOYA Balinese Massage” in the spa nestled in a valley surrounded by deep green. Step into tranquility as you descend into SPA rooms, located down the hill from the resort, where you are invited for deep relaxation by the sounds and energies of the jungle and Pakerisan River below. Our therapist utilizes unique healing skills inherited by Balinese people through centuries. Exotically tender floral fragrances will refresh your mind, body, and spirit as you soak in the lush atmosphere.
