

Exclusive Discount on Car Rental

By booking your stay through the official websites of various KAI accommodations, you will receive an exclusive 15% discount on rental fees when renting a car from Times Car Rental. As Times Car Rental has branches all over Japan, you can rent a car not only at airports and train stations, but also at your travel destination. Please take this wonderful opportunity to travel to your dream destination.

How to be eligible for this discount

1. Book your stay through the official website of the KAI accommodation.
2. Click on the link to the Times Car Rental reservation website included in your booking confirmation email.
3. Reserve a rental car on the Times Car Rental website.

*Only guests who have booked their stay through the official website are eligible for this discount. Guests who do so by phone will not be eligible.

*Please pay the car rental fees and charges for other optional services directly to Times Car Rental. We are unable to process this payment at the accommodation.
